

Lisa has been an early years teacher at her current school for the past ten years. She consistently received outstanding and good lesson observations from her senior leadership team throughout her time at the school. Lisa has led her school to achieve the Early Years Quality mark which she is very proud of! She has worked closely with other schools and pre-schools in her cluster as well as other schools in different teaching alliances. One of her recent projects focused on outdoor play and had a focus on embedding maths, the impact of this was particularly impressive in the development of boys' numeracy. She is also a student teacher mentor and NQT mentor.

Lisa is able to offer advice on the following areas within Early Years:

- ✓ Indoor and Outdoor provision and environments.
- ✓ Transition to Year One
- ✓ Early Years Maths especially maths mastery
- ✓ Phonics including Read Write Inc.
- ✓ Observing members of staff and pupils.
- ✓ EYFS Data and monitoring.
