

Bobbie is an Assistant Curriculum Leader of English in a comprehensive school in Burnley, with current responsibility for KS4 Curriculum and Assessment. She has 9 years of teaching experience and has been an Assistant Curriculum Leader for three years, with strength in leading the KS3 curriculum.

Bobbie is an excellent classroom practitioner, as noted by her current school and outside agencies. She is an experienced coach having worked alongside and in collaboration with other experienced coaches. This has enabled her to support colleagues successfully through Performance Management and Typicality observations. Furthermore, she is an experienced GCSE examiner which allows her to share good practice during coaching conversations.

Bobbie has a track record of implementing strategies to stretch and challenge the most able pupils, improving the outcomes of higher ability pupils across the department.

As an SPE, Bobbie can offer support in the following areas:

- High quality teaching in English at KS3 and KS4;
- Planning effective English KS3 SOW and dealing with 'Life without Levels';
- Coaching and mentoring teachers to improve their effectiveness and confidence;
- Using data at classroom level to implement effective teaching strategies.
