

### **Anthony Keefe – SLE for CPD and PE**

Anthony is an Assistant Headteacher at an outstanding 11-16 high school, where he leads on Teaching and Learning (including quality assurance) and Continuing Professional Development. He has been responsible for introducing many successful initiatives such as Coaching for Excellence, Learning Rounds and new quality assurance systems, all of which were highly commended by Ofsted and which played a major role in securing the school's judgement of outstanding in all areas. He has 19 years' experience of teaching physical education and has over 8 years' experience of leading a highly successful Physical Education department. As well as achieving outstanding results as a curriculum leader, Anthony has also achieved consistently outstanding results as a teacher and prides himself on leading by example. Anthony has also had recent experience in school to school support through his school leading a multi-academy trust.

As a specialist Leader of Education, Anthony can offer support in:

- Leadership of teaching and learning (including quality assurance)
- Leadership of Continuing Professional Development
- Physical Education
